

## Morgan A. Sack

Morgan A. Sack is a partner in the firm's Philadelphia and Wilmington offices. Her areas of concentration include life science litigation, products liability, mass tort litigation, environmental litigation, construction litigation, cybersecurity and workers' compensation.

As a member of the firm's Cybersecurity, Privacy and Data Protection Team, Ms. Sack works with clients in a variety of industries to develop data protection plans, conduct risk assessments, ensure regulatory compliance and develop data breach risk mitigation strategies. She also has extensive experience counseling businesses during their response to a data breach.

Ms. Sack has had success defending multi-jurisdictional claims given her experience in both Pennsylvania and Delaware workers' compensation matters. Ms. Sack's recent experience in the Delaware workers' compensation system includes the defense and resolution of numerous fee disputes filed by the state's largest orthopedic provider. She has been trained and approved by the Delaware Court System as a mediator which allows her to have contact with many Delaware officials and colleagues in a non-confrontational context.

Ms. Sack is admitted to practice in Pennsylvania, Delaware, New Jersey and New York.

She received her B.S. at Syracuse University in 2002 and her J.D. at Widener University School of Law in 2007.
